Dear Sir:

We recently paid the issue fee on the above application. However, we have noted that the title as shown on the Notice of Allowance is the original title, not the title which we requested be amended in our Office Action response of August 17, 2005. In accordance with the

Serial no. 10/660,708

amendment in that response, the title should now read "REACH ACTUATION FOR ENERGY SAVING HYDRAULIC KNUCKLE BOOMS".

Please correct this prior to issuance of the patent, if possible.

RCA/ghh

Yours very truly,
